VISION & MISSION

OUR VISION

To become a trusted global leader in comprehensive business support solutions, with an ambitious vision of establishing a presence across every PIN code in India and expanding our reach internationally. We aspire to empower businesses, entrepreneurs, developers, professionals, and individuals through accessible, integrated, and reliable services. By simplifying complexities and bringing diverse solutions under one roof, we aim to make professional support convenient and accessible to everyone, everywhere, while building a strong network of branches that brings Liaison Bank closer to every customer.

OUR MISSION

Our mission is to transform complex business challenges into seamless experiences. From documentation and government approvals to licensing, permissions, certifications, and essential business requirements, we simplify every step through expert guidance, strategic coordination, and end-to-end support.

At Liaison Bank, we believe every business deserves a smoother path to success. We are committed to breaking procedural barriers, bridging the gap between requirements and approvals, and empowering business owners to focus on what matters most — building, growing, and leading their businesses.

Simplifying Processes. Breaking Barriers. Empowering Businesses.

OUR SEVEN CORE SERVICE DIVISIONS

Liaison Bank
"haq se bhadho, bhadho haq se"

OUR SERVICES

01. Liaisoning
End-to-end liaisoning services helping businesses navigate complex government regulations and statutory requirements with ease.

02. Licensing
Comprehensive licensing solutions across various sectors, ensuring your business remains compliant and fully operational.

03. Piped Natural Gas
Complete Piped Natural Gas solutions from site survey to commissioning for commercial, residential, and industrial establishments.

04. Fire
Comprehensive fire safety audits, risk assessments, and certification services ensuring your establishment meets all safety regulations.

05. Electrical
Professional electrical audit and certification services ensuring your electrical systems are safe, compliant, and efficient.

06. AMC
Comprehensive annual maintenance contracts ensuring your business remains compliant throughout the year with dedicated support.

07. Property Acquisition
End-to-end property acquisition services for commercial, residential, and industrial establishments ensuring smooth transactions and compliance.

Liaison Bank
"haq se bhadho, bhadho haq se"

01. LIAISONING

Liaison Bank simplifies complex approvals, connecting businesses with opportunities. We offer comprehensive solutions to help businesses, property owners, and investors navigate government procedures and regulatory requirements. Specialising in coordinating with municipal corporations and regulatory authorities, we manage permissions for building proposals, change-of-user requests, and industrial clearances. Our focus is on simplifying administrative complexities, ensuring proper documentation, and facilitating a more efficient approval process.

AUTHORITIES WE COORDINATE WITH

The list includes various authorities and organisations in Mumbai, such as the Airports Authority of India (AAI), Public Works Department (PWD), Coastal Regulation Zone (CRZ) Authorities, Mumbai Port Authority (MBPT), Maharashtra State Electricity Distribution Company (MSEDCL), Tata Power, Adani Electricity, Mumbai Fire Department (MFD), Revenue & Forest Department / Collector Office, Maharashtra Pollution Control Board (MPCB), Maharashtra Industrial Development Corporation (MIDC), Mumbai Metropolitan Region Development Authority (MMRDA), Slum Rehabilitation Authority (SRA), Maharashtra Housing and Area Development Authority (MHADA), Pune Municipal Corporation (PMC), Navi Mumbai Municipal Corporation (NMMC), Thane Municipal Corporation (TMC), Kalyan-Dombivli Municipal Corporation (KDMC), Vasai-Virar Municipal Corporation (VVMC), and Brihanmumbai Municipal Corporation (BMC).

OUR APPROACH

We understand that navigating government departments and obtaining regulatory approvals can be time-consuming and complicated. At Liaison Bank, we bring together procedural knowledge, professional coordination, and execution-focused support to help clients move through these processes with greater confidence. From understanding the requirement to coordinating documentation, departmental submissions, follow-ups, and approval procedures, we aim to make every stage more structured and manageable. One Trusted Partner. Multiple Authorities. Simplified Approvals.

02. LICENSING

Simplifying Business Licensing. Ensuring Regulatory Compliance. At Liaison Bank, we provide comprehensive licensing solutions that help businesses obtain, manage, and renew essential licences, registrations, and statutory approvals. We assist businesses across various industries in navigating regulatory requirements, coordinating with relevant government departments, and meeting applicable compliance standards. From initial licensing requirements to renewals and ongoing regulatory support, our team works to make the entire process smooth, organised, and hassle-free. We aim to reduce administrative complexities, minimise operational delays, and help businesses operate with confidence.

OUR LICENSING EXPERTISE

- **Food & Beverage Licensing** – FSSAI, Eating House Licences and other food business approvals.
- **Healthcare Licensing** – Clinic, hospital, medical establishment and healthcare-related registrations.
- **Commercial Licensing** – Shop & Establishment, trade licences and commercial operational approvals.
- **Industrial Licensing** – Factory licences, industrial registrations and statutory permissions.
- **Real Estate Licensing** – Property-related permissions, registrations and regulatory approvals.
- **Entertainment Licensing** – Licences and permissions for entertainment and commercial establishments.
- **Licence Renewal & Compliance** – Timely renewals, documentation coordination and ongoing regulatory assistance.

OUR APPROACH

We believe licensing should not become a barrier to business growth. By combining regulatory knowledge, professional coordination, and end-to-end assistance, Liaison Bank helps businesses navigate licensing requirements with greater clarity, confidence, and convenience. One Partner. Multiple Licences. Simplified Business Operations.

Liaison Bank

03. PIPED NATURAL GAS SOLUTIONS

Liaison Bank offers comprehensive Piped Natural Gas (PNG) solutions for residential, commercial, and industrial needs. We support clients throughout the project lifecycle, from feasibility studies to pipeline installation and commissioning. Our focus is on safe installations, efficient gas distribution, and regulatory compliance, aiming to simplify PNG infrastructure development while adhering to technical and safety standards.

OUR PNG EXPERTISE

- **PNG Audit & Certification Support** – Pipeline inspections, safety assessments, documentation, and applicable compliance coordination.
- **PNG Testing & Commissioning** – Pipeline testing, safety checks, commissioning coordination, and operational readiness.
- **PNG Feasibility & Project Coordination** – Site assessments, technical feasibility, project planning, and coordination with relevant gas distribution authorities.
- **PNG Pipeline Fabrication & Installation** – Pipeline fabrication, routing, fitting, installation, and associated infrastructure work.
- **PNG Reticulation Systems** – Gas pipeline reticulation networks, distribution arrangements, and infrastructure development for residential and commercial projects.
- **PNG Downstream Infrastructure** – Development and execution of downstream gas distribution networks, including internal pipeline infrastructure and consumer connections.
- **Industrial PNG Solutions** – Industrial gas infrastructure, pipeline networks, equipment connections, and gas distribution solutions for manufacturing and processing facilities.
- **Commercial PNG Solutions** – Gas pipeline installations for restaurants, hotels, kitchens, commercial establishments, and business premises.
- **Residential PNG Solutions** – PNG pipeline infrastructure, connections, distribution networks, and gas installation solutions for residential buildings and housing societies.

OUR APPROACH

We believe successful property acquisition is built on the right opportunity, informed evaluation, and strategic execution. At Liaison Bank, we combine market understanding, property sourcing capabilities, professional coordination, and transaction-focused expertise to help clients identify opportunities aligned with their investment objectives. Whether it involves acquiring bank auction assets, exploring distressed properties, facilitating institutional transactions, or connecting investors with high-potential real estate opportunities, we work towards creating value at every stage. One Partner. Strategic Property Opportunities. Smarter Real Estate Investments.

Liaison Bank

04. FIRE & LIFE SAFETY SOLUTIONS

Protecting People. Securing Properties. Ensuring Fire Safety Compliance. At Liaison Bank, we provide comprehensive fire safety solutions designed to help businesses, commercial establishments, residential properties, and industrial facilities meet essential fire prevention, protection, and regulatory requirements. We assist clients in navigating fire safety regulations, obtaining necessary approvals, and implementing reliable fire protection systems in accordance with applicable safety standards. From fire NOC approvals and regulatory coordination to fire detection, firefighting, hydrant, and suppression systems, we offer end-to-end assistance to support safer and compliant environments. Our approach combines technical expertise, professional coordination, and execution-focused solutions to address fire safety requirements at every stage.

OUR FIRE SAFETY EXPERTISE

- **Fire Safety Maintenance** – Preventive maintenance, equipment servicing, system testing, and ongoing fire safety support.
- **Fire System SITC** – Supply, Installation, Testing, and Commissioning of fire detection and firefighting systems.
- **Fire Safety Audits & Inspections** – Fire risk assessments, safety inspections, system evaluations, and compliance support.
- **Fire Extinguisher Solutions** – Supply, installation, inspection, refilling, and maintenance of fire extinguishers.
- **Fire Suppression Systems** – Automatic suppression systems, sprinkler systems, and specialised fire protection solutions.
- **Fire Hydrant Systems** – Hydrant network installation, firefighting pumps, landing valves, hose reels, testing, and commissioning.
- **Fire Detection Systems** – Fire alarm panels, smoke detectors, heat detectors, manual call points, and alarm system installation.
- **Fire NOC & Regulatory Approvals** – Fire NOC applications, provisional and final approvals, renewal, regularisation, and completion-related coordination.

OUR APPROACH

We believe fire safety goes beyond regulatory compliance; it is about protecting lives, assets, and business continuity. At Liaison Bank, we focus on delivering dependable fire safety solutions through proper planning, technical coordination, quality execution, and ongoing support. From initial assessment and approval coordination to system installation, testing, certification, and maintenance, we help clients address their fire safety requirements through one dependable partner. One Partner. Complete Fire Safety Solutions. Greater Protection.

05. ELECTRICAL

Powering Businesses. Ensuring Electrical Safety. Delivering Reliable Solutions. At Liaison Bank, we provide comprehensive electrical solutions designed to meet the power, infrastructure, safety, and regulatory requirements of commercial establishments, residential properties, and industrial facilities. We assist businesses in managing electrical installations, system upgrades, load requirements, and statutory compliance through reliable technical solutions and professional coordination. From electrical audits and safety inspections to new installations, load enhancement, meter connections, and electrical system maintenance, we offer end-to-end support to help clients maintain safe, efficient, and dependable electrical infrastructure.

OUR FIRE SAFETY EXPERTISE

- **Electrical Audits & Certification** – Electrical safety audits, system inspections, load assessments, and electrical compliance certification.
- **Electrical Installation & Execution** – Supply, Installation, Testing, and Commissioning (SITC) of electrical systems and infrastructure.
- **Load Enhancement & Modification** – Existing electrical load upgrades, capacity enhancement, and power requirement modifications.
- **New Electricity Connections** – New meter connections for residential, commercial, industrial, and temporary construction requirements.
- **Electrical Name Change & Transfer** – Electricity meter ownership transfers, consumer name changes, and connection-related documentation.
- **Residential to Commercial Conversion** – Electrical connection modifications and coordination for change of property usage.
- **Electrical Panel & Distribution Systems** – LT panels, distribution boards, circuit breakers, cabling, and electrical distribution solutions.
- **Electrical Maintenance & Troubleshooting** – Preventive maintenance, fault identification, electrical repairs, and system performance inspections.
- **Power Utility Coordination** – Liaisoning and coordination with Adani Electricity, Tata Power, MSEDCL, and other relevant electricity authorities.

OUR APPROACH

We believe reliable electrical infrastructure is essential for safe and uninterrupted business operations. At Liaison Bank, we combine technical expertise, professional coordination, and execution-focused services to help clients manage their electrical requirements efficiently. From initial assessment and regulatory coordination to installation, testing, certification, and ongoing maintenance, we aim to deliver dependable electrical solutions that support operational safety and long-term performance. One Partner. Complete Electrical Solutions. Reliable Power.

Liaison Bank
"haq se bhadho, bhadho haq se"

06. ANNUAL MAINTENANCE CONTRACT

Simplifying Maintenance. Ensuring Compliance. Supporting Business Continuity. At Liaison Bank, we provide comprehensive Annual Maintenance Contract (AMC) solutions designed to help businesses, commercial establishments, residential properties, and industrial facilities manage their essential maintenance, servicing, and certification requirements. We bring multiple maintenance services under one dependable partnership, helping organisations maintain operational efficiency, safety, and regulatory compliance. From fire safety maintenance and electrical audits to licence renewals, pest control, and water tank cleaning, we coordinate essential services through structured maintenance plans tailored to individual business requirements. Our goal is to reduce the burden of managing multiple service providers while ensuring that critical maintenance and compliance activities receive timely attention.

OUR AMC EXPERTISE

- **Fire Extinguisher Maintenance** – Inspection, servicing, refilling, and maintenance of fire extinguishers.
- **Licence Renewal Services** – Assistance with timely renewal of essential business licences, registrations, and statutory approvals.
- **Fire Safety AMC** – Fire safety audits, equipment inspections, fire system maintenance, and compliance certification support.
- **Electrical Audit & Certification** – Electrical safety inspections, system assessments, load evaluations, and certification support.
- **Pest Control Services** – Preventive and corrective pest management solutions for commercial and residential premises.
- **Water Tank Cleaning & Certification** – Periodic water tank cleaning, sanitisation, inspection, and related certification.
- **PNG Audit & Certification** – PNG pipeline inspections, safety assessments, and applicable compliance support.

OUR APPROACH

We understand that managing multiple maintenance activities, service providers, and renewal schedules can become challenging for businesses. At Liaison Bank, we simplify these responsibilities through coordinated AMC services, planned maintenance schedules, and dependable professional support. Our approach helps businesses reduce operational interruptions, maintain essential safety standards, stay updated with maintenance requirements, and focus more on their core operations and growth. One Partner. Multiple Services. Complete Maintenance Support.

07. PROPERTY ACQUISITION

Strategic Acquisitions. Exclusive Opportunities. Exceptional Property Value. At Liaison Bank, our Property Acquisition division focuses on identifying, acquiring, selling, and facilitating strategic real estate opportunities across residential, commercial, and industrial sectors. We specialise in sourcing properties through bank auctions, financial institutions, NBFCs, Asset Reconstruction Companies (ARCs), Non-Performing Asset (NPA) portfolios, and distressed asset opportunities. We connect property owners, investors, financial institutions, and businesses with the right real estate opportunities through market research, asset evaluation, transaction coordination, and strategic deal facilitation. Our focus is to identify high-potential properties, including undervalued and distressed assets, that offer attractive acquisition opportunities and long-term investment potential. From sourcing and evaluating properties to negotiating transactions, facilitating purchases, and managing leasing opportunities, we aim to make property transactions more structured, transparent, and value-driven.

OUR EXPERTISE

- **Bank Auction Properties** – Identifying and facilitating the acquisition of properties offered through bank and financial institution auctions.
- **ARC & NPA Assets** – Sourcing and facilitating transactions involving Asset Reconstruction Company (ARC) properties and Non-Performing Asset (NPA) portfolios.
- **Distressed Properties** – Identifying undervalued, financially distressed, and special-situation property assets with potential investment opportunities.
- **Commercial Properties** – Acquisition and sale of offices, retail spaces, commercial buildings, and business premises.
- **Industrial Properties** – Sourcing factories, warehouses, industrial units, manufacturing facilities, and industrial land.
- **Residential Properties** – Acquisition and sale of apartments, independent houses, residential buildings, and plots.
- **Property Leasing & Rentals** – Facilitating commercial, industrial, and residential leasing and rental opportunities.
- **Investor-Led Transactions** – Connecting investors with property owners, sellers, and strategic real estate opportunities for mutually beneficial transactions.

OUR APPROACH

We believe successful property acquisition is built on the right opportunity, informed evaluation, and strategic execution. At Liaison Bank, we combine market understanding, property sourcing capabilities, professional coordination, and transaction-focused expertise to help clients identify opportunities aligned with their investment objectives. Whether it involves acquiring bank auction assets, exploring distressed properties, facilitating institutional transactions, or connecting investors with high-potential real estate opportunities, we work towards creating value at every stage. One Partner. Strategic Property Opportunities. Smarter Real Estate Investments.

OUR CLIENTS

Liaison Bank
"haq se bhadho, bhadho haq se"

WHY WE'RE THE RIGHT CHOICE?

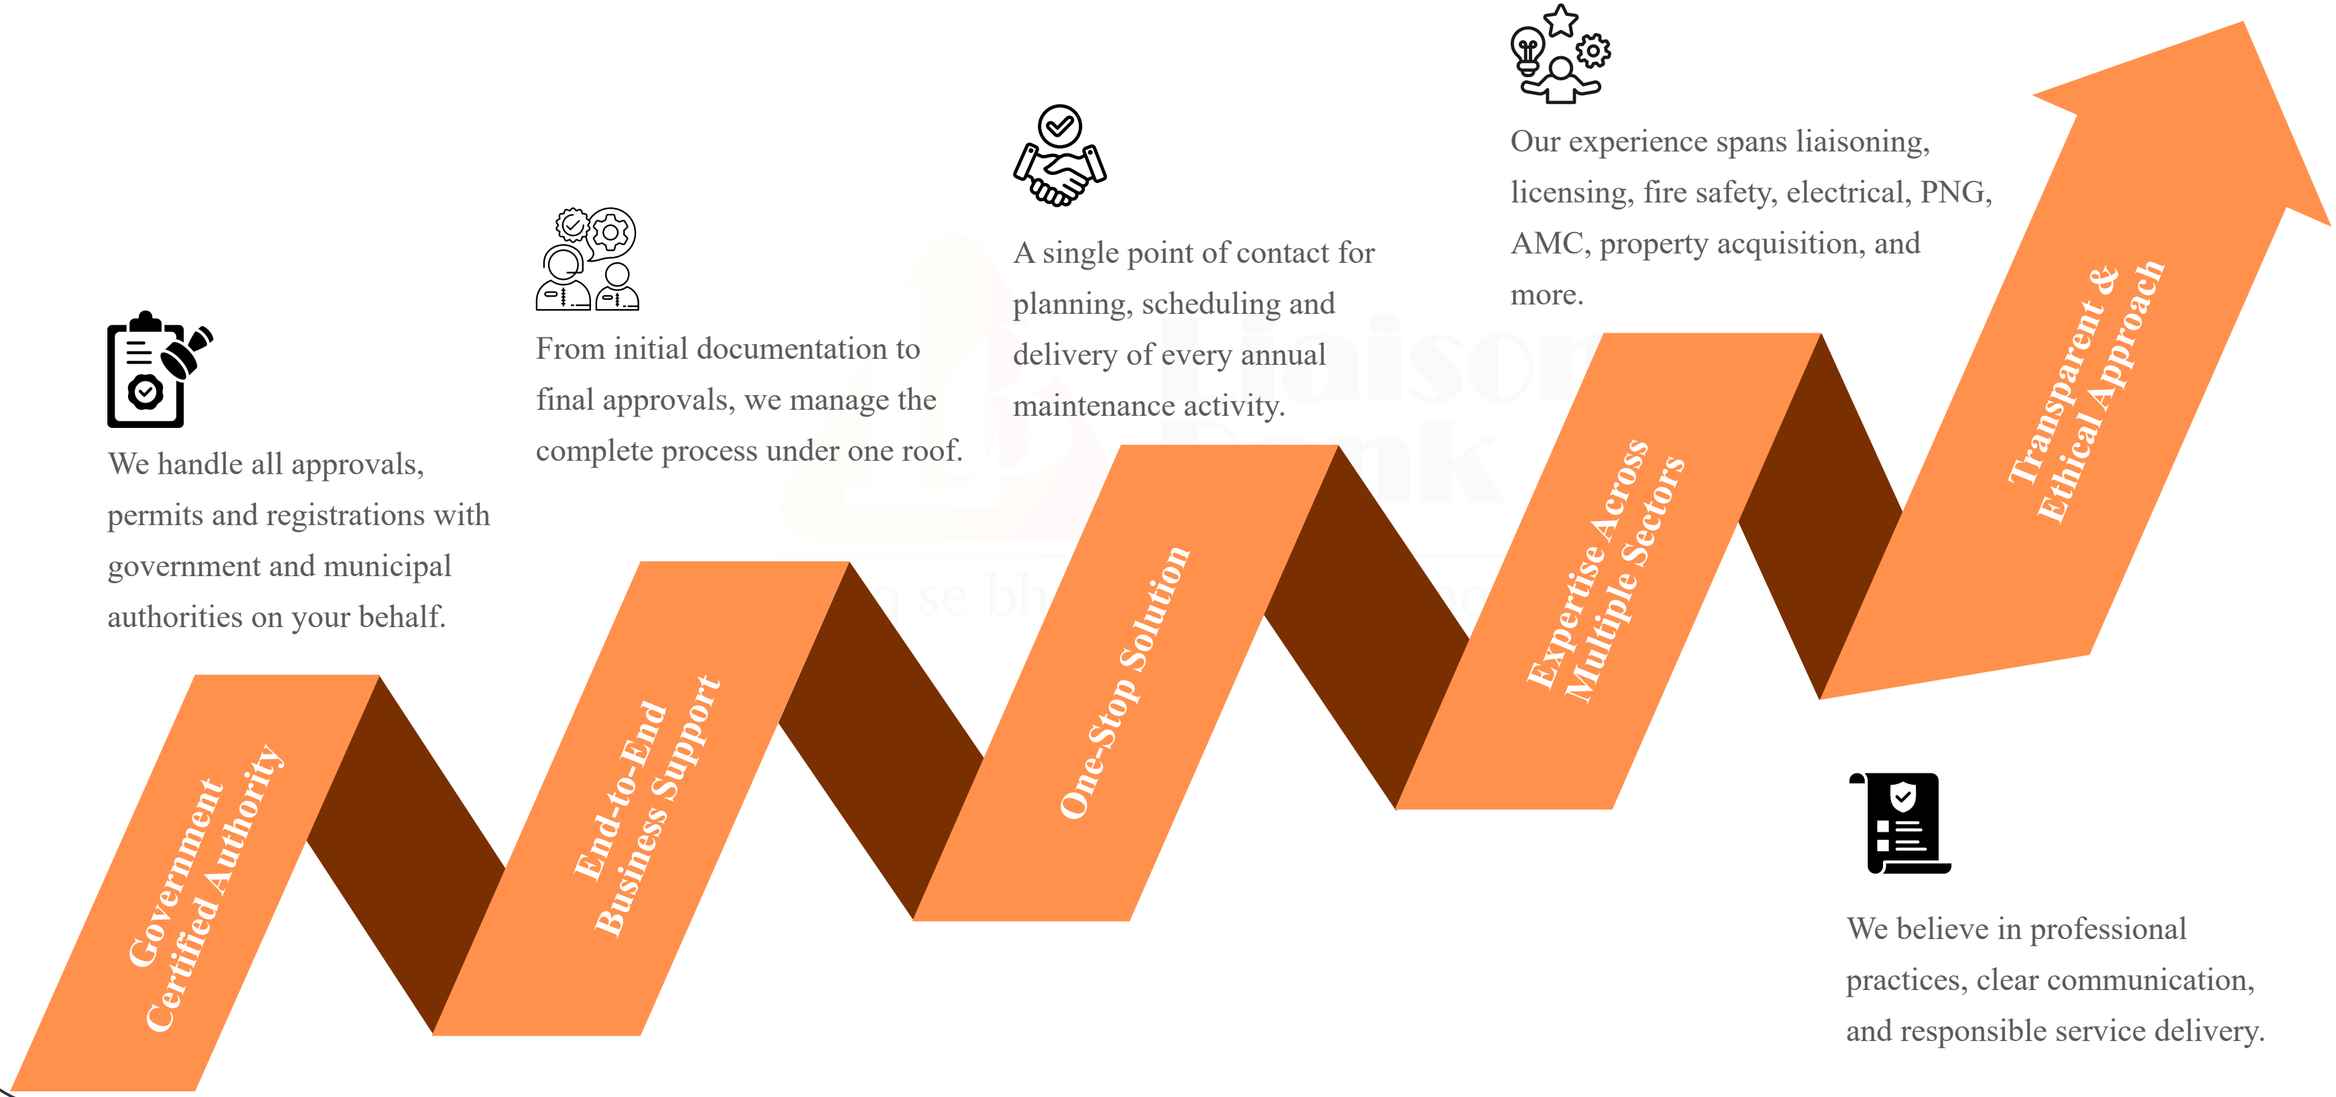

We handle all approvals, permits and registrations with government and municipal authorities on your behalf.

From initial documentation to final approvals, we manage the complete process under one roof.

A single point of contact for planning, scheduling and delivery of every annual maintenance activity.

Our experience spans liaisoning, licensing, fire safety, electrical, PNG, AMC, property acquisition, and more.

We believe in professional practices, clear communication, and responsible service delivery.
